Jazz Vocal Group

The jazz vocal group "Inspiration, Dear!" is devoted to the tradition of harmony singing in swinging jazz that was made popular by groups like "Lambert, Hendricks and Ross" or "New York Voices". Singing either acapella or accompanied by a trio consisting of piano, bass and drums, Inspiration, Dear!" performs original arrangements of jazz standards such as "Comes Love" or "Invitation". The group was founded in 2014 at Jazz Institute Osnabrück (Germany), where the members were engaged in musical studies.

Line-up: Yvonne Peters (soprano), Lena Senge (alto), Benjamin Branzko (tenor), Lorenz Schönle (baritone).
